U.S. ARMY

ARMY STRONG.

ARMY MEDICINE

AMEDDD Commissioning Programs

Purpose: Educate Soldiers, Leaders and educators on the educational opportunities offered by the AMEDDD.

➤ Interservice Physician Assistant Program for the regular Army and Army Reserve (Army National Guard manages applications separately, but most of the requirements are the same)

ARMY STRONG.

ARMY MEDICINE

AMEDDD Commissioning Programs

What is an Army PA?

- Military health care professional certified to practice medicine with physician supervision.
- The AMEDD's primary medical provider in battalion and division level TO&E units "From the Line, For the Line"
- ROLE I/II Subject Matter Expert

ARMY STRONG.

ARMY MEDICINE

AMEDD Commissioning Programs

STARTING POINT

1. Research the profession.
2. Meet with someone in the profession
3. Discuss the options with your family and friends (your support during the training).
4. Meet with your education center counselor about your educational goals, aspirations, and paths.

U.S. ARMY
